"Proud to be part of an industry that is constantly innovating and pushing boundaries."

Jaydip Dhar, COO, MIBS

Greetings everyone,

In todays' digital world, any data is most critical piece of information for an organisation. Every organization must protect their data from being misused. It is important that in an organisation, critical information is identified and protected. We @ MIBS, follow best practices to ensure critical information is not leaked or mishandled. Every employee goes through Information Security training to ensure they know about information criticality and how it can be protected. Last month, our Information Security audit was conducted by external auditing firm "BSI" and I am happy to share that we have cleared ISMS Audit successfully.

I want to take this opportunity, to thank all of you for your cooperation. This establishes that our processes are compliant with Global Information Security norms. As our organisation grows, it is very important that we @ MIBS continue focusing on Information Security and protect our organisation from any risk.

We have finally initiated to revamp our corporate website & very soon we can expect the launch. As we move towards the end of the FY we should be geared up for the appraisals. I hope you're as excited as I am about the growth of our company. I believe that we can continue to make great strides in all areas of our business and make our company even more successful.

Let's keep up the good work and continue to strive for excellence.

Mahindra Volunteering Day

Team MIBS @ Blood Donation Camp

If you were to ask us "Why work at Mahindra?" This phenomenonal energy that Mahindraites embody would be among the top 5 reasons. The employees of the MIBS celebrated the very first "Mahindra Volunteering Day" on 5th Dec 2022 with full vigour and enthusiasm. Here is a glimpse of the blood donation camp at MITC. We hope that next year will only be bigger and better.

Mahindra Volunteering Day

employees had the Our opportunity to participate in the Mahindra Volunteering Day. which was organized by the Mahindra Group. It was a fantastic experience as we were able to contribute to the community by helping in various activities.

The day started off with a session to create two ecofriendly products - Paper Bags Paper Pens using old and newspapers. These paper bags and were then paper pens donated to the women beneficiaries of the NGO Swedes Foundation, who will use these products for packaging.

Later, we recorded audiobooks by choosing stories and reading them out in a manner that it is engaging and uplifting for beneficiaries who are visually impaired. Overall, it was an amazing experience, as it gave us an opportunity to contribute to the community and make a difference in the lives of others.

क्षणातच घडले सर्व काही ...

झुळूकीचे वादळ झाले . सावरण्याआधी सगळे उधळले . खंत करण्या उसंत नाही . क्षणातच घडले सर्व काही ।।

ठिणगीचा भडकला वणवा . नियतीचा खेळ कोणी जाणावा ? आग विझवण्याची व्यर्थ घाई . क्षणातच घडले सर्व काही।।

सागरतळाशी उसळला लाव्हा . त्सुनामीचा मग भव्य देखावा . पाहण्या कोणी रसिक नाही . क्षणातच घडले सर्व काही।।

अवचित एक तुटला तारा . किती सुंदर तो नजारा . दुःख त्याचे का कुणा कळले नाही **?** क्षणातच घडले सर्व काही।।
