EXPLANATORY STATEMENT ANNEXED TO THE NOTICE PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

ITEM NO. 4

Mr. Rahul Asthana (DIN: 00234247) and Ms. Neera Saggi (DIN: 00501029) were appointed as Additional Directors in the capacity of Non-Executive Independent Directors with effect from 28th December, 2020, for a consecutive period of 3 years i.e. upto 27th December, 2023 and were regularized at the 10th Annual General Meeting held on 26th July, 2021 as Independent Directors of the Company for the said period.

The Shareholders of the Company at the 11th Annual General Meeting held on 28th July, 2022 had approved the payment of commission of Rs. 5 Lakh per annum to each of the Independent Directors of the Company, Mr. Rahul Asthana and Ms. Neera Saggi for the financial year ended 31st March, 2022.

As per the provisions of Section 197 of the Companies Act, 2013, the remuneration payable to directors who are neither managing director nor whole-time director shall not exceed –

- (a) one per cent of the net profits of the company, if there is a managing or whole-time director or manager;
- (b) three per cent of the net profits in any other case.

Such commission would be distributed amongst and paid to the aforesaid Directors in such proportions as they may, from time to time, decide between themselves.

In the presence of Manager being appointed in the Company, the permissible limit of commission payable to Non-executive Directors including Independent Directors in the Company shall not exceed in aggregate 1% of the Net profit of the Company.

Considering the contribution of Ms. Neera Saggi and Mr. Rahul Asthana as Independent Directors of the Company in the Board processes and active participation in the meetings, their expertise, experience and with a view to reward and motivate them, it is proposed for payment of commission of Rs. 5,50,000 to each of the Independent Directors of the Company, Mr. Rahul Asthana and Ms. Neera Saggi for the financial year ended 31st March, 2023 in accordance with the provisions of Section 197 of the Companies Act, 2013 read with Rules made thereunder.

The commission payable/proposed for the financial year 2022-23 will be within the limits referred to, and in accordance with the provisions of the sections 197 (i.e. commission to Non-executive Directors including Independent Directors not exceeding 1% of the net profit and overall managerial remuneration not exceeding 11% of net profit for FY 2022-23) and 198 read with Schedule V and all other applicable provisions of the Companies Act, 2013 which is

subject to approval of the members to be obtained at this ensuing Annual General Meeting of the Company by way of ordinary resolution.

Further, the proposed commission is in line with the 'Policy on Appointment of Directors and Senior Management and Succession planning for orderly succession to the Board and the Senior Management' and 'Policy for Remuneration of the Directors, Key Managerial Personnel and other employees' as adopted by the Company and in line with the policy of "Guidelines for Directors Compensation" as applicable to Mahindra Group entities.

On recommendation of the Nomination and Remuneration Committee Meeting and Audit Committee (for approval as related party transaction) at their respective meetings held on 27th April, 2023, the Board of Directors at their Meeting held on the same day, approved Rs. 5,50,000 to be paid by way of commission to each of the Independent Directors of the Company for the financial year ended 31st March, 2023 out of the net profits of the Company, computed in the manner referred to in sections 197 and 198 and all other applicable provisions of the Companies Act, 2013 which is subject to the adoption of the Financial Statements of the Company as on 31st March, 2023 by the Shareholders in the ensuing Annual General Meeting.

The Independent Directors of the Company are also paid sitting fees for attending every meeting of the Board and Committee thereof.

Brief profile of the Directors alongwith other additional information as required under Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India are provided in the explanatory statement to Item Nos. 5 and 6 of this Notice.

Mr. Rahul Asthana and Ms. Neera Saggi and their relatives are interested in these resolutions as it pertains to payment of commission to Independent Directors of the Company.

None of the other Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in this Resolution.

The Directors recommends passing of the Resolution at Item No. 4 as an Ordinary Resolution.

5.	Mr. Rahul Asthana	00234247	Director	Non-Executive	Independent
6.	Ms. Neera Saggi	00501029	Director	Non-Executive	Independent (Women)

Mr. Vinay Deshpande (DIN: 01904423) retires by rotation at the forthcoming Annual General Meeting and being eligible has offered himself for re-appointment.

Mr. Nikhil Madgavkar (DIN: 05163088) was appointed as an Additional Director with effect from 1st October, 2021 and consequently appointed as Managing Director and Key Managerial Personnel of the Company for a term of three years with effect from 1st October, 2021 to 30th September, 2024 (both days inclusive). He was regularized as Director under Section 160 of the Companies Act, 2013 at the 11th Annual General Meeting of the Company held on 28th July, 2022. He tendered his resignation as the Managing Director as well as Director of the Company with effect from 31st August, 2022 due to other work commitments. The Board placed on record its sincere appreciation of the valuable contribution made by Mr. Nikhil Madgavkar during his association with the Company.

Mr. Rahul Asthana (DIN: 00234247) and Ms. Neera Saggi (DIN: 00501029) were appointed as Additional Directors in the capacity of Non-Executive Independent Directors with effect from 28th December, 2020, for a consecutive period of 3 years i.e. upto 27th December, 2023 and were regularized at the 10th Annual General Meeting held on 26th July, 2021 as Independent Directors of the Company.

The Nomination and Remuneration Committee, on the basis of performance evaluation of Independent Directors and taking into account the external business environment, the business knowledge, acumen, experience and the substantial contribution made by Mr. Rahul Asthana and Ms. Neera Saggi during their tenure, has recommended to the Board that their continued association as Independent Directors on the Board would be beneficial to the Company.

Based on the above and their performance evaluation, the Board recommends re-appointment of Mr. Rahul Asthana and Ms. Neera Saggi, as Independent Directors of the Company, not liable to retire by rotation, to hold office for a second term of four consecutive years on the Board of the Company, i.e. to hold office from 28th December, 2023 to 27th December, 2027.

The declaration under Section 149(7) of the Companies Act, 2013 has been received from Mr. Rahul Asthana and Ms. Neera Saggi as Independent Directors, to the effect that they meet the criteria of Independence as provided in sub-section (6) of Section 149 of the Companies Act, 2013 and the rules made thereunder, and that they are independent of the management of the Company.

Mr. Rahul Asthana and Ms. Neera Saggi, Independent Directors of the Company, have also confirmed compliance pursuant to the Section 150 of the Companies Act, 2013 read with Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014, with respect to the inclusion of their names in the data bank of Independent Directors maintained by the Indian Institute of Corporate Affairs (IICA), Manesar and its subsequent renewal.

The Independent Directors are also required to undertake online proficiency self-assessment test conducted by IICA within a period of 2 (two) years from the date of inclusion of their names in the data bank, unless they meet the criteria specified for exemption. The Independent Directors of the Company are exempt from the requirement to undertake online proficiency self-assessment test as per Rule 6(4) of the Companies (Appointment and Qualification of Directors) Rules, 2014.

In the opinion of the Board, Mr. Rahul Asthana and Ms. Neera Saggi possess the requisite expertise, integrity, proficiency and experience to act as Independent Directors of the Company.

The Company has received notice(s) in writing as per Section 160 of the Companies Act 2013, from a member signifying their intention to propose Mr. Rahul Asthana and Ms. Neera Saggi as candidates for office of Directors at the 12th Annual General Meeting (“AGM”) of your Company. Resolutions seeking approval of the shareholders for re-appointment of Mr. Rahul Asthana and Ms. Neera Saggi as Independent Directors for a second term of four consecutive years, i.e. from 28th December, 2023 to 27th December, 2027 by way of special resolution alongwith detailed profile is provided in the Notice of the ensuing Annual General Meeting.

The Company has received declarations from all the Directors including the Independent Directors in Form DIR-8 as prescribed under Section 164 of the Companies Act, 2013 read with the Rule 14(1) of Companies (Appointment and Qualifications of Directors) Rules, 2014 that they are not disqualified from being appointed as Directors of the Company pursuant to Section 164 of the Companies Act, 2013.

EVALUATION OF PERFORMANCE OF DIRECTORS

Pursuant to the provisions of the Companies Act, 2013, the Board carried out an annual evaluation of its own performance and that of its Committees as well as performance of the Directors individually. Feedback was sought

by way of a structured questionnaire covering various aspects of the Board's functioning and the evaluation was carried out based on responses received from the Directors.

The performance evaluation of the Non-Independent Directors and the Board as a whole was carried out by the Independent Directors. The performance evaluation of the Chairman of the Company was also carried out by the Independent Directors, taking into account the views of the Directors.

The Directors expressed their satisfaction with the evaluation process.

ANNEXURE II TO THE DIRECTORS' REPORT

ANNEXURE IIA

POLICY ON APPOINTMENT OF DIRECTORS AND SENIOR MANAGEMENT AND SUCCESSION PLANNING FOR ORDERLY SUCCESSION TO THE BOARD AND THE SENIOR MANAGEMENT

DEFINITIONS

The definitions of some of the key terms used in this Policy are given below.

“Board” means Board of Directors of the Company.

“Company” means Mahindra Integrated Business Solutions Private Limited.

“Committee(s)” means Committees of the Board for the time being in force.

“Employee” means employee of the Company whether employed in India or outside India including employees in the Senior Management Team of the Company.

“HR” means the Human Resource department of the Company.

“Key Managerial Personnel” (KMP) refers to key managerial personnel as defined under the Companies Act, 2013 and as amended from time to time.

“Nomination and Remuneration Committee” (NRC) means Nomination and Remuneration Committee of Board of Directors of the Company for the time being in force.

“Senior Management” means personnel of the Company who are members of its Core Management Team excluding Board of Directors comprising of all members of management one level below the executive Directors including the functional heads.

I. APPOINTMENT OF DIRECTORS

- The NRC reviews and assesses Board composition and recommends the appointment of new Directors. In evaluating the suitability of individual Board member, the NRC shall take into account the following criteria regarding qualifications, positive attributes and independence of Director.
 1. All Board appointments will be based on merit, in the context of the skills, experience, independence and knowledge, for the Board as a whole to be effective.
 2. Ability of the candidates to devote sufficient time and attention to his professional obligations as Independent Director for informed and balanced decision making.
 3. Adherence to the Code of Conduct and highest level of Corporate Governance in letter and in spirit by the Independent Directors.

Email Id: chakrabarty.riten@mahindra.com

- Based on recommendation of the NRC, the Board will evaluate the candidate(s) and decide on the selection of the appropriate member. The Board through the Chairman or the Managing Director or any other Director will interact with the new member to obtain his/her consent for joining the Board. Upon receipt of the consent, the new Director will be co-opted by the Board in accordance with the applicable provisions of the Companies Act, 2013 and Rules made thereunder.

REMOVAL OF DIRECTORS

If a Director is attracted with any disqualification as mentioned in any of the applicable Act, rules and regulations thereunder or due to non - adherence to the applicable policies of the Company, the NRC may recommend to the Board with reasons recorded in writing, removal of a Director subject to the compliance of the applicable statutory provisions.

SENIOR MANAGEMENT PERSONNEL

The NRC shall identify persons who are qualified to become Directors and who may be appointed in senior management team in accordance with the criteria as enumerated above.

Senior Management personnel are appointed or promoted and removed/relieved with the authority of Chairman or Managing Director based on the business need and the suitability of the candidate.

II. SUCCESSION PLANNING:

Purpose

The Talent Management Policy sets out the approach to the development and management of talent in the Mahindra Group to ensure the implementation of the strategic business plans of the Group and the Group Aspiration of being among the Top 50 globally most-admired brands by 2021.

Board

The successors for the Independent Directors shall be identified by the NRC atleast one quarter before expiry of the scheduled term. In case of separation of Independent Directors due to resignation or otherwise, successor will be appointed at the earliest but not later than the immediate next Board meeting or three months from the date of such vacancy, whichever is later.

The successors for the Executive Director(s) shall be identified by the NRC from among the Senior Management or through external source as the Board may deem fit.

The NRC will accord due consideration for the expertise and other criteria required for the successor.

The Board may also decide not to fill the vacancy caused at its discretion.

Senior Management Personnel:

A good succession-planning program aims to identify high growth individuals, train them and feed the pipelines with new talent. It will ensure replacements for key job incumbents in KMPs and senior management positions in the organization.

Significantly, we have a process of identifying Hi-pots and critical positions. Successors are mapped for these positions at the following levels:

1. Emergency successor
2. Ready now
3. Ready in 1 to 2 years
4. Ready in 2 to 5 years
5. Ready in more than 5 years

in order to ensure talent readiness as per a ladder approach.

Policy Statement

The Talent Management framework of the Mahindra Group has been created to address three basic issues:

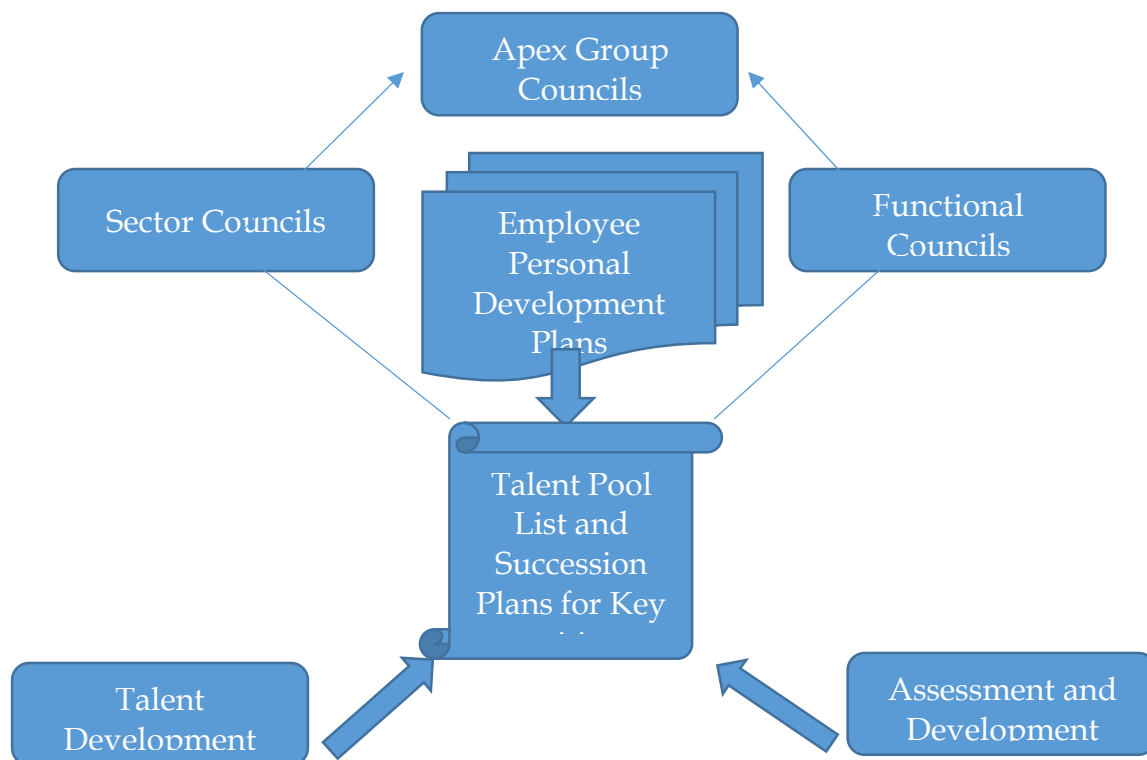

- 1) Given the strategic business plans, do we have the skills and competencies required to implement them? If not, how do we create them – by developing them internally or through lateral induction from outside?
- 2) For critical positions, what is the succession pipeline?
- 3) What are the individual development plans for individuals both in the succession pipeline as well as others?

The framework lays down an architecture and processes to address these questions using the **3E** approach:

- a) **Experience** i.e. both long and short-term assignments. This has 70% weightage
- b) **Exposure** i.e. coaching and mentoring – 20% weightage
- c) **Education** i.e. learning and development initiatives – 10% weightage

The Talent Management process is applicable to all employees. Over the years, the Talent Management framework has become a well-structured and process-oriented system which is driven by an interactive and collaborative network of Talent Councils at the Group and Sector Levels. These Talent Councils, which consist mainly of senior business leaders supported by HR, are a mix of Sector (Business) and Functional Councils coordinated by an Apex Talent Council, headed by the Group Chairman. The Apex Council reviews the work done by the Talent Councils and facilitates movement of talent across Sectors. The Sector / Functional Councils meet regularly throughout the year and the Apex Council interacts with each one of them separately once a year, and in addition conducts an integrated meeting where the Chairpersons of all the Councils are present.

The Talent Management process can be represented pictorially as under:

The talent pipeline is maintained and developed so as to ensure that there is a seamless flow of talent. An important part of this exercise is drawing up and implementing IDAPs (Individual Development Action Plans) for every Executive concerned using the 3E approach mentioned above.

ANNEXURE IIB**POLICY FOR REMUNERATION OF THE DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES****Purpose**

This Policy sets out the approach to Compensation of Directors, Key Managerial Personnel and other employees in Mahindra Integrated Business Solutions Private Limited.

Policy Statement

We have a well-defined Compensation policy for Directors, Key Managerial Personnel and all other employees. The overall compensation philosophy which guides us is that in order to achieve global leadership and dominance in domestic markets, we need to attract and retain high performers by compensating them at levels that are broadly comparable with the median of the comparator basket while differentiating people on the basis of performance, potential and criticality for achieving competitive advantage in the business.

In order to effectively implement this, we have built our Compensation structure by a regular benchmarking over the years with relevant players across the industry we operate in.

Non-Executive Including Independent Directors

The Nomination and Remuneration Committee (NRC) shall decide the basis for determining the compensation, both fixed and variable, to the Non-Executive Directors, including Independent Directors, whether as commission or otherwise. The NRC shall take into consideration various factors such as Director's participation in Board and Committee meetings during the year, other responsibilities undertaken, such as membership or Chairmanship of committees, time spent in carrying out their duties, role and functions as envisaged in Schedule IV of the Companies Act 2013 and such other factors as the NRC may consider deem fit for determining the compensation. The Board shall determine the compensation to Non-Executive Directors within the overall limits specified in the Shareholders resolution.

Executive Directors

The remuneration to Managing Director and Executive Director(s) shall be recommended by NRC to the Board. The remuneration consists of both fixed compensation and variable compensation and shall be paid as salary, commission, performance bonus, stock options (where applicable), perquisites and fringe benefits as approved by the Board and within the overall limits specified in the Shareholders resolution. While the fixed compensation is determined at the time of their appointment, the variable compensation will be determined annually by the NRC based on their performance.

Key Managerial Personnel (KMPs)

The terms of remuneration of KMPs shall be determined by the Board and revised either by any Director or such other person as may be authorized by the Board from time to time. The remuneration shall be consistent with the competitive position of the salary for similar positions in the industry and their Qualifications, Experience, Roles and Responsibilities. Pursuant to the provisions of section 203 of the Companies Act 2013 the Board shall approve the remuneration at the time of their appointment.

The remuneration to Directors, KMPs and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

Employees

We follow a differential approach in choosing the comparator basket for benchmarking, depending upon the level in the organization:

- a. For Leadership Team, we have a position-based approach and the comparator basket includes benchmarks from across relevant industries.
- b. For all other employees, we benchmark with a set of comparators from the same industry.

We have a CTC (Cost to Company) concept which includes a fixed component (Guaranteed Pay) and a variable component (Performance pay). The percentage of the variable component increases with increasing hierarchy levels, as we believe employees at higher positions have a far greater impact and influence on the overall business result. The CTC is reviewed once every year and the compensation strategy for positioning of individuals takes into consideration the following elements:

- Performance
- Potential
- Criticality

Remuneration for the new employees other than KMPs and Senior Management Personnel will be decided by the HR, in consultation with the concerned business unit head at the time of hiring, depending upon the relevant job experience, last compensation and the skill-set of the selected candidate.

The Company may also grant Stock Options to the Employees and Directors (other than Independent Directors & Promoters) in accordance with the ESOP Scheme of the Company and subject to the compliance of the applicable statutes and regulations.

INDEPENDENT AUDITORS' REPORT

To the Members of
Mahindra Integrated Business Solutions Private Limited

Report on the audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of Mahindra Integrated Business Solutions Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information in which are incorporated the returns for the year ended on that date audited by the branch auditors of the Company's branches located at Michigan, USA and Banbury, UK.

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of the branch auditors on separate financial statements of the branches referred to in the Other Matters section below, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit and total comprehensive income, its changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the 'Auditors' Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the branch auditors in terms of their reports referred to in the Other Matters section below, is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Information Other than the Financial Statements and Auditors' Report thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the Directors Report and the related annexures, but does not include the Financial Statements and our Auditors' Report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so,

consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The

risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(I) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the Company and its branches to express an opinion on the Financial Statements. We are responsible for the direction, supervision and performance of the audit of the Financial Statements of such entities or business activities included in the Financial Statements of which we are the independent auditors. For the other entities or business activities included in the Financial Statements, which have been audited by the branch auditors, such branch auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

We did not audit the financial statements of two branches included in the Financial Statements of the Company whose financial statements reflect total assets of Rs. 17,693.02 Lakhs as at March 31, 2023 and total revenue of Rs. 26,878.63 Lakhs for the year ended on that date, as considered in the Financial Statements. The financial statements of these branches have been audited by the branch auditors and other auditors whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of these branches and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid branches, is based solely on the report of such branch auditors.

Our opinion on the Financial Statements and our report on Other Legal and Regulatory Requirements below is not modified in respect of these matters.

Report on other Legal and Regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in Annexure B, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company and its branches so far as it appears from our examination of those books and the reports of the branch auditors and proper returns adequate for the purposes of our audit have been received from the branches not visited by us.
 - (c) The reports on the accounts of the branch offices of the Company audited under Section 143(8) of the Act by branch auditors have been sent to us and have been properly dealt with by us in preparing this report.
 - (d) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the relevant books of account.
 - (e) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.
 - (f) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
 - (g) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure A. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements.

- (h) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the company to its directors during the year is in accordance with the provision of section 197 of the Act.
- (i) With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- (i) The Company does not have any pending litigations which would impact its financial position;
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - (iv) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(es), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Mahindra Integrated Business Solutions Private Limited (“the Company”) as of March 31, 2023 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing whether the risk of a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that: (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

Note No.

1 Company overview

Mahindra Integrated Business Solutions Private Limited is a Private Limited Company incorporated and domiciled in India on 18th January 2011 and it started its operations from 1st May 2011. The Company's registered office is at Mumbai, Maharashtra, India. These financial statements correspond to the stand alone financial statements of the Company. The Company is rendering back office accounting & payroll services. Currently though a captive service provider, it intends to extend the services to corporate sector at large.

The immediate parent Company is Mahindra Holdings Limited, and ultimate parent Company is Mahindra & Mahindra Limited, a company incorporated in India.

2.1 Statement of compliance and basis for preparation

a. These financial statements have been prepared in accordance with Indian Accounting Standards as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 (the 'Act') and other relevant provisions of the Act.

b. Cash flow statement is prepared segregating the cash flows from operating, investing and financing activities. Cash flow is reported using indirect method as per the requirements of Ind AS 7 ("Cash flow statements"), whereby profit for the year is adjusted for the effects of transactions of a non cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows

c. Functional and presentation currency

These financial statements are presented in Indian Rupees ('INR' or 'Rupees') which is also the Company's functional currency. All amounts are rounded-off to the nearest lakhs, unless otherwise indicated.

d. Basis of measurement

The financial statements have been prepared on the historical cost basis except for certain financial instruments which are measured at fair values.

e. Use of judgements and estimates

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income, expenses and the disclosures of contingent assets and liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

Following are areas that involved a higher degree of estimate and judgement or complexity in determining the carrying amount of some assets and liabilities.

- useful life of property, plant and equipment and intangible assets
- estimation of define benefit obligation
- provision for warranty claims
- income taxes - current and deferred taxes
- fair value of unlisted securities
- impairment of trade receivables

Detailed information about each of these estimates and judgements that have a significant risk of resulting in material adjustment within the next financial year is included in relevant notes for the above items.

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

f. Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The Chief Financial Officer and persons entrusted have overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values and assessments that these valuations meet the requirements of Ind AS. The methods used to determine fair value include discounted cashflow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realised.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets and liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

g. Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, the management is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only the period of the revision and future periods if the revision affects both current and future periods.

2.2 Significant accounting policies

a. Operating Cycle:

Assets and Liabilities are classified as Current or Non – Current as per the provisions of the Schedule III notified under the Companies Act, 2013 and Company's normal operating cycle. Based on the nature of business and its activities, the Company has ascertained its operating cycle as twelve months for the purpose of Current & Non – Current classification of Assets & Liabilities.

b. Property, plant and equipment:

- i. Property, plant and equipment are carried at their original cost less accumulated depreciation and accumulated impairment losses.
- ii. Depreciation is recognised so as to write off the cost of assets less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

The estimated useful life used to determine depreciation is:

Building	24 - 30 years
Leasehold improvements	3 – 15 years or the lease period
Machinery & equipment	3 - 10 years
Furniture & fixtures	5 - 10 years
Computers	3 - 5 years
Vehicles	5 years

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

- iii. An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.
- c. **Intangible Assets:**
Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses. The useful life considered for assets in this class is 3 - 5 years.
An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.
- d. **Impairment of tangible and intangible assets**
At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.
Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.
Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.
If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.
When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.
- d. **Investments:**
Investment held as long-term investments are stated at cost comprising of acquisition and incidental expenses less permanent diminution in value, if any. Current investments are valued at the lower of cost and fair value.
- e. **Revenue Recognition:**
- Sale of services is recognized when the services are rendered.
 - Revenues on time & material contracts are recognized as the related services are performed and revenues from the end of the last billing to the Balance sheet date is recognized as Unbilled revenues. The unbilled revenues primarily consists of cost which needs to be billed to client on cost plus margin basis where there is no uncertainty as to measurement or collectability of consideration.
 - Fee based income is accounted for on achieving specified milestones as per mutual agreement.
 - Further, revenue is recognised when there is no uncertainty as to the measurement or collectability of consideration.
 - Interest income
Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding.
- f. **Employee Benefits:**
Retirement benefit costs and termination benefits
Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.
For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Defined benefit costs are categorised as follows:
- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
 - net interest expense or income; and
 - re-measurement
- The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.
- The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.
- Short-term and other long-term employee benefits
- A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.
- Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.
- Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.
- g. **Taxes on Income:**
Tax expense comprises of both current and deferred tax only.
The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period. Provision for Current tax is measured at the amount computed under section 115BAA of the Income Tax Act, 1961 and hence provision of MAT under section 115JB is not applicable
Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

h. Foreign exchange gains and losses

The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of each reporting period.

i. For foreign currency denominated financial assets measured at amortised cost and FVTPL, the exchange differences are recognised in profit or loss except for those which are designated as hedging instruments in a hedging relationship.

ii. Changes in the carrying amount of investments in equity instruments at FVTOCI relating to changes in foreign currency rates are recognised in other comprehensive income.

For the purposes of recognising foreign exchange gains and losses, FVTOCI debt instruments are treated as financial assets measured at amortised cost. Thus, the exchange differences on the amortised cost are recognised in profit or loss and other changes in the fair value of FVTOCI financial assets are recognised in other comprehensive income.

i. Financial instruments

Financial assets and financial liabilities are recognised when a Company entity becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, trade receivables, other contractual rights to receive cash and other financial asset.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls).

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

Financial liabilities subsequently measured at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

j. Leasing

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks & rewards of ownership to the lessee. All other leases are classified as operating leases.

The Company as lessee:

The assets held under finance leases are initially recognised as assets of the company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation. Lease payments are apportioned between finance expense and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in profit or loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's general policies on borrowing cost. Contingent rentals are recognized as expense in the period in which they are incurred.

Rental expense from the operating lease is generally recognized on a straight line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the lessors expected inflationary cost increases, such increases are recognized in the year in which such benefits accrue.

k. Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

I. Government incentive

The Branch receives incentives in the form of reimbursement of expenses incurred under the New Jobs Training Program agreement with Oakland Community College. These grants are netted off against the training expenses in the statement of income when there is a reasonable assurance that all grant conditions have been complied with and the grant will be received.

3.1 Pursuant to acquisition of US Branch from Mahindra Vehicle Manufacturing Limited w.e.f. January 1, 2022, the amounts pertaining to year from April 2020 to March 2021 includes amounts for 3 Months from January 2021 to March 2021 related to US Branch operations. UK branch has started their operations from October 2021. Accordingly, no amount related to UK Branch was included in amounts for the year from April 2020 to March 2021. Consequently, the amounts for the year from April 2020 to March 2021 are not comparable to amounts for the year from April 2021 to March 2022

3.2 Segment Reporting - The CEO & MD of the Company has been identified as the Chief Operating Decision Maker (CODM) as defined by Ind AS 108, Operating Segments. The CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by geography. Accordingly, segment information has been presented for geography. Each segment item is presented at the measure used to report to the CODM for the purposes of making decisions about allocating resources to the segment and assessing its performance. CODM does not review assets and liabilities at reportable segments level, hence Management believes that it is currently not practicable to provide disclosure of assets by geographical location

3.3 Recent Accounting Pronouncements

On 24th March, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013 revising Division I, II and III of Schedule III and are applicable from 1st April, 2021. The amendments in Division II (applicable to the Company) of Schedule III, primarily relate to :

- Change in existing presentation requirements for certain items in Balance sheet, for eg. lease liabilities, security deposits, current maturities of long term borrowings, effect of prior period errors on equity share capital.
- Additional disclosure requirements in specified formats, for eg. ageing of trade receivables, trade payables, capital work in progress, intangible assets, shareholding of promoters, etc.
- Disclosure if funds have been used other than for the specific purpose for which it was borrowed from banks and financial institutions.
- Additional Regulatory Information, for eg., compliance with layers of companies, title deeds of immovable properties, financial ratios, loans and advances to key managerial personnel, etc.

The amendments are extensive and the Group is evaluating the same.

3.4 Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period, adjusted for bonus elements in equity shares, if any, issued during the period.

Diluted EPS is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

Financial Risk Management Framework

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk. In order to manage the aforementioned risks, the Company operates a risk management policy and a program that performs close monitoring of and responding to each risk factors.

CREDIT RISK**(i) Credit risk management**

Credit risk arises when a counterparty defaults on its contractual obligations to pay resulting in financial loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral,

where appropriate, as a means of mitigating the risk of financial loss from defaults. The Company only transacts with entities that are rated the equivalent of investment grade and above. This information is supplied by independent rating agencies where available and, if not available, the Company uses other publicly available financial information and its own trading records to rate its major customers. The Company's exposure and credit ratings of its counterparties are continuously monitored and the aggregate value of transactions concluded is spread amongst approved counterparties.

The Company applies the simplified approach to providing for expected credit losses prescribed by Ind AS 109, which permits the use of the lifetime expected loss provision for all trade receivables. The company has computed expected credit losses based on a provision matrix which uses historical credit loss experience of the Company and individual receivable specific provision where applicable.

There is no change in estimation techniques or significant assumptions during the reporting period.

The loss allowance provision is determined as follows:

As at March 31, 2023

LIQUIDITY RISK**(i) Liquidity risk management**

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-, medium- and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

(iii) Maturities of financial assets

The following table details the Company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the Company's liquidity risk management as the liquidity is managed on a net asset and liability basis.

MARKET RISK

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk mainly comprises currency risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. The Company uses derivatives to manage market risks. Derivatives are only used for economic hedging purposes and not as speculative investments. All such transactions are carried out within the guidelines set by the Board of Directors.

There has been no significant changes to the company's exposure to market risk or the methods in which they are managed or measured.

Currency Risk

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. The Company's / Company's exposure to currency risk relates primarily to the Company's operating activities when transactions are denominated in a different currency from the Company's functional currency.

The Company manages its foreign currency risk by hedging transactions that are expected to occur within a maximum 12 month period for hedges of forecasted sales and purchases.

When a derivative is entered into for the purpose of being a hedge, the Company negotiates the terms of those derivatives to match the terms of the hedged exposure. For hedges of forecast transactions the derivatives cover the period of exposure from the point the cash flows of the transactions are forecasted up to the point of settlement of the resulting receivable or payable that is denominated in the foreign currency.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows.

Foreign Currency Sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in USD and AUD exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value

of monetary assets and liabilities. The Company's exposure to foreign currency changes for all other currencies is not material.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

Note No. 27 Employee benefits

(a) Defined Contribution Plan

The Company's contribution to Provident Fund, Superannuation Fund and ESIC aggregating Rs. 1225.06 Lacs (2022 : Rs. 1035.65 Lacs) has been recognised in the Statement of Profit or Loss under the head Employee Benefits Expense.

The Company has voluntarily contributed in 401(k) retirement plans covering substantially all the employees of US branch. The Branch may make annual contributions to the plans equal to a uniform percentage of participant compensation. The cost of the Branch's contributions charged to expense related to 401(k) contributions was Rs 54.89 lacs for the period ended March 31, 2023. (2022 :Rs.135.30 Lacs)

The Company has contributed towards workplace pension plans covering substantially all the employees of UK branch. The cost of the Branch's contributions charged to expense related to employee was Rs 401.75 lacs for the period ended March 31, 2023. (2022 :Rs.155.58 Lacs)

(b) Defined Benefit Plans:

Gratuity

The Company operates a gratuity plan covering qualifying employees. The benefit payable is the greater of the amount calculated as per the Payment of Gratuity Act, 1972 or the Company scheme applicable to the employee. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. In case of death while in service, the gratuity is payable irrespective of vesting. The Company makes annual contribution to the group gratuity scheme administered by the Life Insurance Corporation of India through its Gratuity Trust Fund.

Through its defined benefit plans the Company is exposed to a number of risks, the most significant of which are detailed below:

Asset volatility

The plan liabilities are calculated using a discount rate set with references to government bond yields; if plan assets under perform compared to the government bonds discount rate, this will create or increase a deficit. The defined benefit plans hold a significant proportion of equity type assets, which are expected to outperform government bonds in the long-term while providing volatility and risk in the short-term.

As the plans mature, the Company intends to reduce the level of investment risk by investing more in assets that better match the liabilities.

However, the Company believes that due to the long-term nature of the plan liabilities and the strength of the supporting group, a level of continuing equity type investments is an appropriate element of the Company's long term strategy to manage the plans efficiently.

Changes in bond yields

A decrease in government bond yields will increase plan liabilities, although this is expected to be partially offset by an increase in the value of the plans' bond holdings and interest rate hedging instruments.

Inflation risk

Some of the Company's pension obligations are linked to inflation, and higher inflation will lead to higher liabilities (although, in most cases, caps on the level of inflationary increases are in place to protect the plan against extreme inflation). The plans hold a significant proportion of assets in index linked gilts, together with other inflation hedging instruments and also assets which are more loosely correlated with inflation. However an increase in inflation will also increase the deficit to some degree.

Life expectancy

The majority of the plan's obligations are to provide benefits for the life of the member, so increases in life expectancy will result in an increase in the plan's liabilities. This is particularly significant in the Company's defined benefit plans, where inflationary increases result in higher sensitivity to changes in life expectancy.

The significant actuarial assumptions used for the purposes of the actuarial valuations were as follows:

	Valuation as at	
	31-Mar-23	31-Mar-22
Discount rate(s)	7.35%	6.85%

VII Actuarial Assumptions		
1 Discount rate	7.35%	6.85%
2 Expected rate of return on plan assets	7.35%	6.85%

VIII The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Principal assumption		Changes in assumption	Impact on defined benefit obligation	
			Increase in assumption	Decrease in assumption
Discount rate	2023	1.00%	-6.64%	7.64%
	2022	1.00%	-6.80%	7.85%
Salary growth rate	2023	1.00%	7.37%	-6.62%
	2022	1.00%	7.63%	-6.76%

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the Balance sheet.

The methods and types of assumptions used in preparing the sensitivity analyses did not change compared to previous period.

The Company expects to contribute Rs. 2,000,000 to the gratuity trusts during the next financial year.

IX Maturity profile of defined benefit obligation:

	2023	2022
Within 1 year	61.28	57.00

2 - 3 year	62.28	23.44
3 - 4 year	25.00	51.91
4 - 5 year	27.49	19.28
above 5 years	451.70	380.73

X Plan Assets

The fair value of Company's pension plan asset as of 31 March 2023 and 2022 by category are as follows:

	2023	2022
Asset category		
Deposits with Insurance companies	220.86	229.35
	100%	100%

The Company's policy is driven by considerations of maximizing returns while ensuring credit quality of the debt instruments. The asset allocation for plan assets is determined based on investment criteria prescribed under the Indian Income Tax Act, 1961, and is also subject to other exposure limitations. The Company evaluates the risks, transaction costs and liquidity for potential investments. To measure plan asset performance, the Company compares actual returns for each asset category with published benchmarks.

The weighted average duration of the defined benefit obligation as at 31 March 2023 is 7.11 years (2022: 7.29 years)

The expected rate of return on plan assets is based on the average long term rate of return expected on investments of the fund during the estimated term of obligation.

The estimate of future salary increases, considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The current service cost and the net interest expense for the year are included in the employee benefits expense in profit or loss of the expense for the year.

In February 2019, Supreme Court of India in its judgement clarified the applicability of allowances that should be considered to measure obligations under Employees Provident Fund Act, 1952. The Company has been legally advised that there are interpretative challenges on the application of judgement retrospectively and as such does not consider there is any probable obligations for past periods. Accordingly, based on legal advice the Company has made a provision for provident fund contribution from the date of Supreme Court order.

Note No. 32 Leases

The Company has entered into non cancelable operating lease agreements related to facility, office equipment, machinery and equipment and vehicles with varying terms.

Non-lease components

Leases that contain non-lease components are accounted for as a single component and recorded on the balance sheet for certain asset classes including equipment. Non-lease components include, but are not limited to, common area maintenance and service arrangements.

The Company has used the following policies and/or assumptions in evaluating the lease population

Lease determination:

The Company considers a contract to be or to contain a lease if the contract conveys the right to control the use of identified property and equipment (an identified asset) for a period of time in exchange for consideration.

Discount rate :

When the lease contracts do not provide a readily determinable implicit rate, the Company uses the estimated incremental borrowing rate based on information available at the inception of the lease. The discount rate is determined by asset class.

Variable payments :

The Company includes payments that are based on an index or rate within the calculation of right of use leased assets and lease liabilities, initially measured at the lease commencement date. There are variable payments origination fees for office equipment, machinery and equipment and therefore are not treated as a part of lease payments.

Purchase options :

Certain leases include options to purchase the office equipment. The depreciable life of assets is limited by the expected lease term unless there is a transfer of title or purchase option reasonably certain of exercise.

Renewal options :

Most leases include one or more options to renew, with renewal terms that can extend the lease term from one or more years. The exercise of lease renewal options is at the Company's sole discretion.

Residual value guarantees, restrictions, or covenants :

The lease agreements do not contain any material residual value guarantees or material restrictive covenants.

Short-term leases :

Leases with an initial term of 12 months or less are not recorded on the balance sheet; the Company recognizes lease expense for these leases on a straight-line basis over the lease term and expense the associated operating lease costs to other expenses in Profit and loss account.
